

Servant Leader Scholarship Application Guidelines

Purpose

This is a service-based scholarship established to help students who are preparing for ministry at the diploma level of study and are already serving in a church-based ministry on a full-time or part-time basis as a minister or as a lay person.

Requirements and Procedure

The applicant must enroll in either the Urban Ministry program or the credentialing program at the diploma level.

The applicant must have completed the admissions process to be awarded the scholarship.

The student must maintain a 2.0 G.P.A. to receive this scholarship for the following semester.

If a payment plan is established, the payments for the remaining balance must be paid on time.

Scholarship applications are accepted year round.
